

REMARKS

In the previous Office Action, all of the claims were indicated as being allowable except for claims 21-23, 27-34, and 36-39. In response, in order to expedite prosecution, the limitations of allowable claim 24 have been incorporated into independent claim 21. As such, the claims should now be in condition for allowance.

In summary, Applicants submit that the present application is in complete condition for allowance. Should any issues remain after consideration of this response, however, Examiner Walls is invited and encouraged to telephone the undersigned at her convenience.
